

California Real Estate Economics 6th Edition

Product Code: 978-1-4754-9936-0

Price: ~~\$70.00~~ \$65.00

Short Description

This educational resource is tailored for both broker and salesperson aspirants, grounded in solid economic and financial foundations.

Description

This educational resource is tailored for both broker and salesperson aspirants, grounded in solid economic and financial foundations.

It delves into the integration of real estate within the broader economic spectrum, emphasizing the sector's dynamic role.

The "In California" segment and state-specific appendices offer a close look at regional matters.

This primary textbook encompasses all aspects necessary for building a thriving practice, with student-oriented features like checklists, contracts, CAR® and other relevant forms, along with quizzes and tests that align closely with the state examination.

Principal Advantages:

- Essential educational material for obtaining a California Broker license
- Can be chosen as an elective topic for acquiring a California salesperson license
- Each unit begins with key terms, outlining essential vocabulary and concepts crucial for success
- Discussion questions included to encourage the practical application of knowledge from each unit.
